Additional comments (Use back if necessary):

Hi Robert:

This letter is long overdue as it is incumbent of me to commend you on the wonderful efforts you (and Ken) put forth in making our wedding a truly remarkable event. As in our previous discussions, our reception was not just a wedding celebration but a celebration of life-especially in that my mother who is fighting breast cancer was able to be there to share our special day.

Your personal touch and impeccable professionalism created a wonderfully inviting atmosphere for the reception. Your creative ideas for personal dedications and presentations transformed a dinner party into a commemorative event. Thank you for all the time and effort that you put into making clients' events truly memorable occasions. It is refreshing to see an individual make a career out of one's passion.

Thank you,

Shannon Murphy and Greg Loomis
